Experience

September 2025 - June 2026

University of Leeds - Course Rep

September - December 2025

University of Leeds - Leeds Student Radio

As a student at the University of Leeds, I have become a member of the Leeds Student Radio society and hosted my own radio show with them across the months of September to December.

Self directed and self produced, talking about topics that cover all media for my show 'Niche to Known'.

March 6th 2025

University of Essex Nightclub Sub Zero, Colchester, Wivenhoe Park, CO4 3SQ - Director, camera operator, sound mixer editor

I was hired to direct, film and edit an advert promoting the nightclub for the freshers of september 2025.

Using entirely hand held shots, on 1 evening in crowded and high intensity environments with hundreds of students attending, i shot and solo directed the entire advert capturing the nightclub and highlighting its many facets and highlights including safety, accessibility and entertainment.

March 28th 2023

Mercury Theatre, Colchester CO1 1PT - *Photographer, Camera Operator, Sound Mixer*

- I was hired as a solo photographer to capture several images of a tour about the building and its work, and the people experiencing it.
- I continued my work and used a three camera setup to film an interview with the cast and crew about a stage play they performed.

NOVEMBER 2022 - January 2023

Signals BFI Film Academy, Colchester CO1 1HF - *Film and TV Work Experience*

- As a part of a group of around 20 people, I developed and explored my skills and interests within film production and the entertainment industry as a whole.

- During my time there I was tutored by experienced productionists as well as industry professionals- gave me first hand experience with high end equipment as well as team based roles and leadership roles.
- During our final assignment we were split into two teams tasked with making a short film-this tested our coordination and team skills we had built over the last two months and tested us all individually too. I was appointed the writer and assistant director of my team's short film, "Tune In."
